Saint Ann Catholic School celebrates the joy that is childhood. We open childrens' eyes to a world of discovery and experience. It is a place where the love of Jesus, family, and community come together to awaken children to the wonders of all creation.

Our preschool provides a happy transition from home to school. The program stresses the importance of learning through play and provides many opportunities for exploration, creation, and imagination. We help our children grow at their pace, always surrounded by support, respect, and caring.

Saint Ann Catholic School is a close-knit community of students, educators, and parents, bound together by a dedication to common goals -- to always BELIEVE, ACHIEVE, and INSPIRE.

Come discover Saint Ann Catholic School.

### Program Highlights

The St. Ann Preschool program offers a full range of spiritual, cognitive, social, and physical opportunities for growth.

**Spiritual Growth --** Building on the foundation of family, faith, teachers share the wonder and beauty of God's creation through daily prayer and song, Bible stories, holiday prayer services, chapel time, and participation in school wide spiritual events.

**Cognitive Growth --** Emphasizing the development of language skills, math readiness, and scientific discovery, the learning environment is rich in storytelling, poetry, and song. Math readiness introduces numbers and problem solving through hands-on activities and concrete learning.

**Physical Growth --** Both gross motor skills -- through daily activities such as jumping, dancing, skipping -- and fine motor skills -- through drawing, painting, scissor work and puzzles are emphasized and enhanced each day.

"St. Ann Preschool was so wonderful for my son! He was always encouraged to learn and explore. He learned to pray and praise God. He loved going to school each day, and loves the chance to be with his "buddies" in the grade school. Because of this experience he was very well prepared for kindergarten."

— Helen K., Sam's Mom  
Sam, Age 5

Preschool is an integral part of St. Ann Catholic School and our students enjoy enhanced curriculum classes offered to all grades including:

- Art
- Computer
- Music
- Library
- Physical Education
