# Theme Information

**"Fun in the Sun,"** a beloved favorite at Saint Ann, is returning for its fifth summer! During this week, campers will enjoy a variety of summer-inspired activities, including a "beach" day, creating tie-dye hats, playing luau and hula-themed games, competing in sidewalk chalk contests, and engaging in reading and writing lessons focused on the beach and ocean life. We will also spend a day at Upton Hills Ocean Dunes Regional Water Park!

**"Score! Saint Ann"** is a week devoted to sports, games, and teamwork. Activities include cooperative team-building exercises, learning various sports and games from around the world, creating our own board games from recycled materials, and making custom team jerseys and "swag." There will also be math lessons on probability, timekeeping, and score calculations.

**"All Creatures Great and Small"** is Summer at Saint Ann's Animal Exploration Week! This exciting week will include activities like a visit from a traveling petting zoo, making animal masks and costumes, playing animal charades, and reading about and researching the fascinating creatures of the animal kingdom.

**"Saint Ann Life Lab"** is a week where campers roll up their sleeves and explore essential life skills. Focused on building confidence and independence through hands-on learning, this week offers a fun, interactive experience. Campers will learn to cook simple, delicious meals, discover the basics of sewing, from threading a needle to creating their own projects, and learn household management skills like cleaning, money management, and organizational skills so they can help out at home. Saint Ann Life Lab empowers children with practical skills that will benefit them for years to come.

## Week 1
