

ANNUAL FEES PAYMENT OPTIONS

ALL families (PreK to 8) are responsible for various annual fees each year. There are three ways to pay your fees: FACTS, credit card through the school website or cash/check. By choosing the FACTS option the cost of these fees will be added to your FACTS account in September and will be prorated over the course of the year; by choosing credit card payment must be made at stann.org, and by choosing cash or check, payment must be sent to the school office immediately. Checks should be made payable to Saint Ann Catholic School, and a **separate check will be needed for each transaction.**
